8th Annual River Heritage Day

Tractor Pull

1. **ANTIQUE** farm tractor models in production prior to 1960.
2. **CLASSIC** farm tractors from 1960-1972. **Classic tractors from Penn Manor School District only. Please call if there are questions.**
3. Weigh in will start at 8 am and pulling will start at 10:00 am. Registration will close at 11 AM. People not able to make it by 11 may call and pre-register.
4. Pulling tractors may be entered in two weight classes. Tractors without the ability to add weight will be able to pull twice in one class.
5. **Maximum drawbar height is 18".**
6. **Speed limit is 3.5 miles per hour for antique, 5 miles per hour for classic. Antique speed will be regulated with a pace tractor.**
7. **Minimum drawbar length 24" from the center of rear axle to point of hook measured horizontally.** Point of hook not more than 1 inch in thickness, with a three inch diameter opening having a cross sectional thickness with a minimum of 7/8 of an inch. Pulling point may not be more than 1.5 inches from the back edge of the hitching device. The drawbar must be rigid in all directions and parallel to the ground. The use of a 3 inch **twisted** clevis is accepted! All hitching points must be parallel to the ground.
8. **All weights must be secured. If any parts or weights fall off the tractor during the pull, the entry will be disqualified.** NOTE: Bolts 2" past the tire or last weight MAX in width and front weights not to exceed 30" beyond the bolster.
9. **Engines, RPM's must not exceed factory standards plus 10%, factory fuel injection systems only, no multiple carbs and no nitrous oxide. All pull vehicles will be open to inspection by track officials. If there is a question of eligibility of the tractor, the burden of proof is the responsibility of the operator and must be proven by factory documentation. Decision of the weighmaster and track officials is final. Exceptions may pull Exhibition only if all safety rules are satisfied.**
10. All engine fans must be shrouded with factory equivalent steel and all hood components in place.
11. **Contest open to tractors with rubber tires not to exceed two sizes over factory standards in width. Rim diameter must be standard. No cut or hand sharpened tires, no 4-wheel drive, duals, tire studs, chains, steel, or iron treads.**
12. All tractors must have functional rear wheel brakes.
13. The shut off switch must be operational from the driver's seat.
14. **Operator must remain seated during the pull and must have complete control of the tractor at all times. One hand must remain on the steering wheel at all times.** All tractors must have strong rigid seats.
15. No hole digging or jerking of the sled.
16. All operators must wear shirt, shoes, and pants.
17. Tractors must be operated in a safe manner at all times
18. Any person who blocks the track with a tractor or other means for the purpose of delaying or interfering with the Event will be BARRED from participation for one year and 10 days. No one other than track officials and drivers on their tractors are permitted on the track.
19. There will be no cash awards. Trophies and ribbons only.
20. All entry forms must be completed and signed. Any operators under the age of 18 will require the signature of a guardian. Any operators demonstrating questionable driving skills will be challenged and track officials may refuse to hook.
21. **ALL OPERATORS WILL PULL AT THEIR OWN RISK.**

Antique Weight Classes: 2500, 3000, 3500, 4000, 4500, 5000, 5500, 6500, 7500, 8500, 9500, 10500, 12000 lbs with 100 lb allowance

Classic Weight Classes: 7000, 9000, 11000, 13000, 15000, 17000 with 100 lb allowance
